## The Metropolitan Museum of Art

Art Museum · 42,434 Reviews · ● ● ● ● ●

### Introduction

The Metropolitan Museum of Art, colloquially "the Met," is the largest art museum in the United States, and is among the most visited art museums in the world. Its permanent collection contains over two million works, divided among seventeen curatorial departments. The main building, on the eastern edge of Central Park along Manhattan's Museum Mile, is by area one of the world's largest art galleries. A much smaller second location, The Cloisters at Fort Tryon Park in Upper Manhattan, contains an extensive collection of art, architecture, and artifacts from Medieval Europe.

### Mentioned Most

Greek and Roman · Temple of Dunder · Egyptian Section

Now, please review your itinerary on the right. Do you want me to help you review it?

Yes, please review it.

No, I don't need it.

**Yes, please review it.**

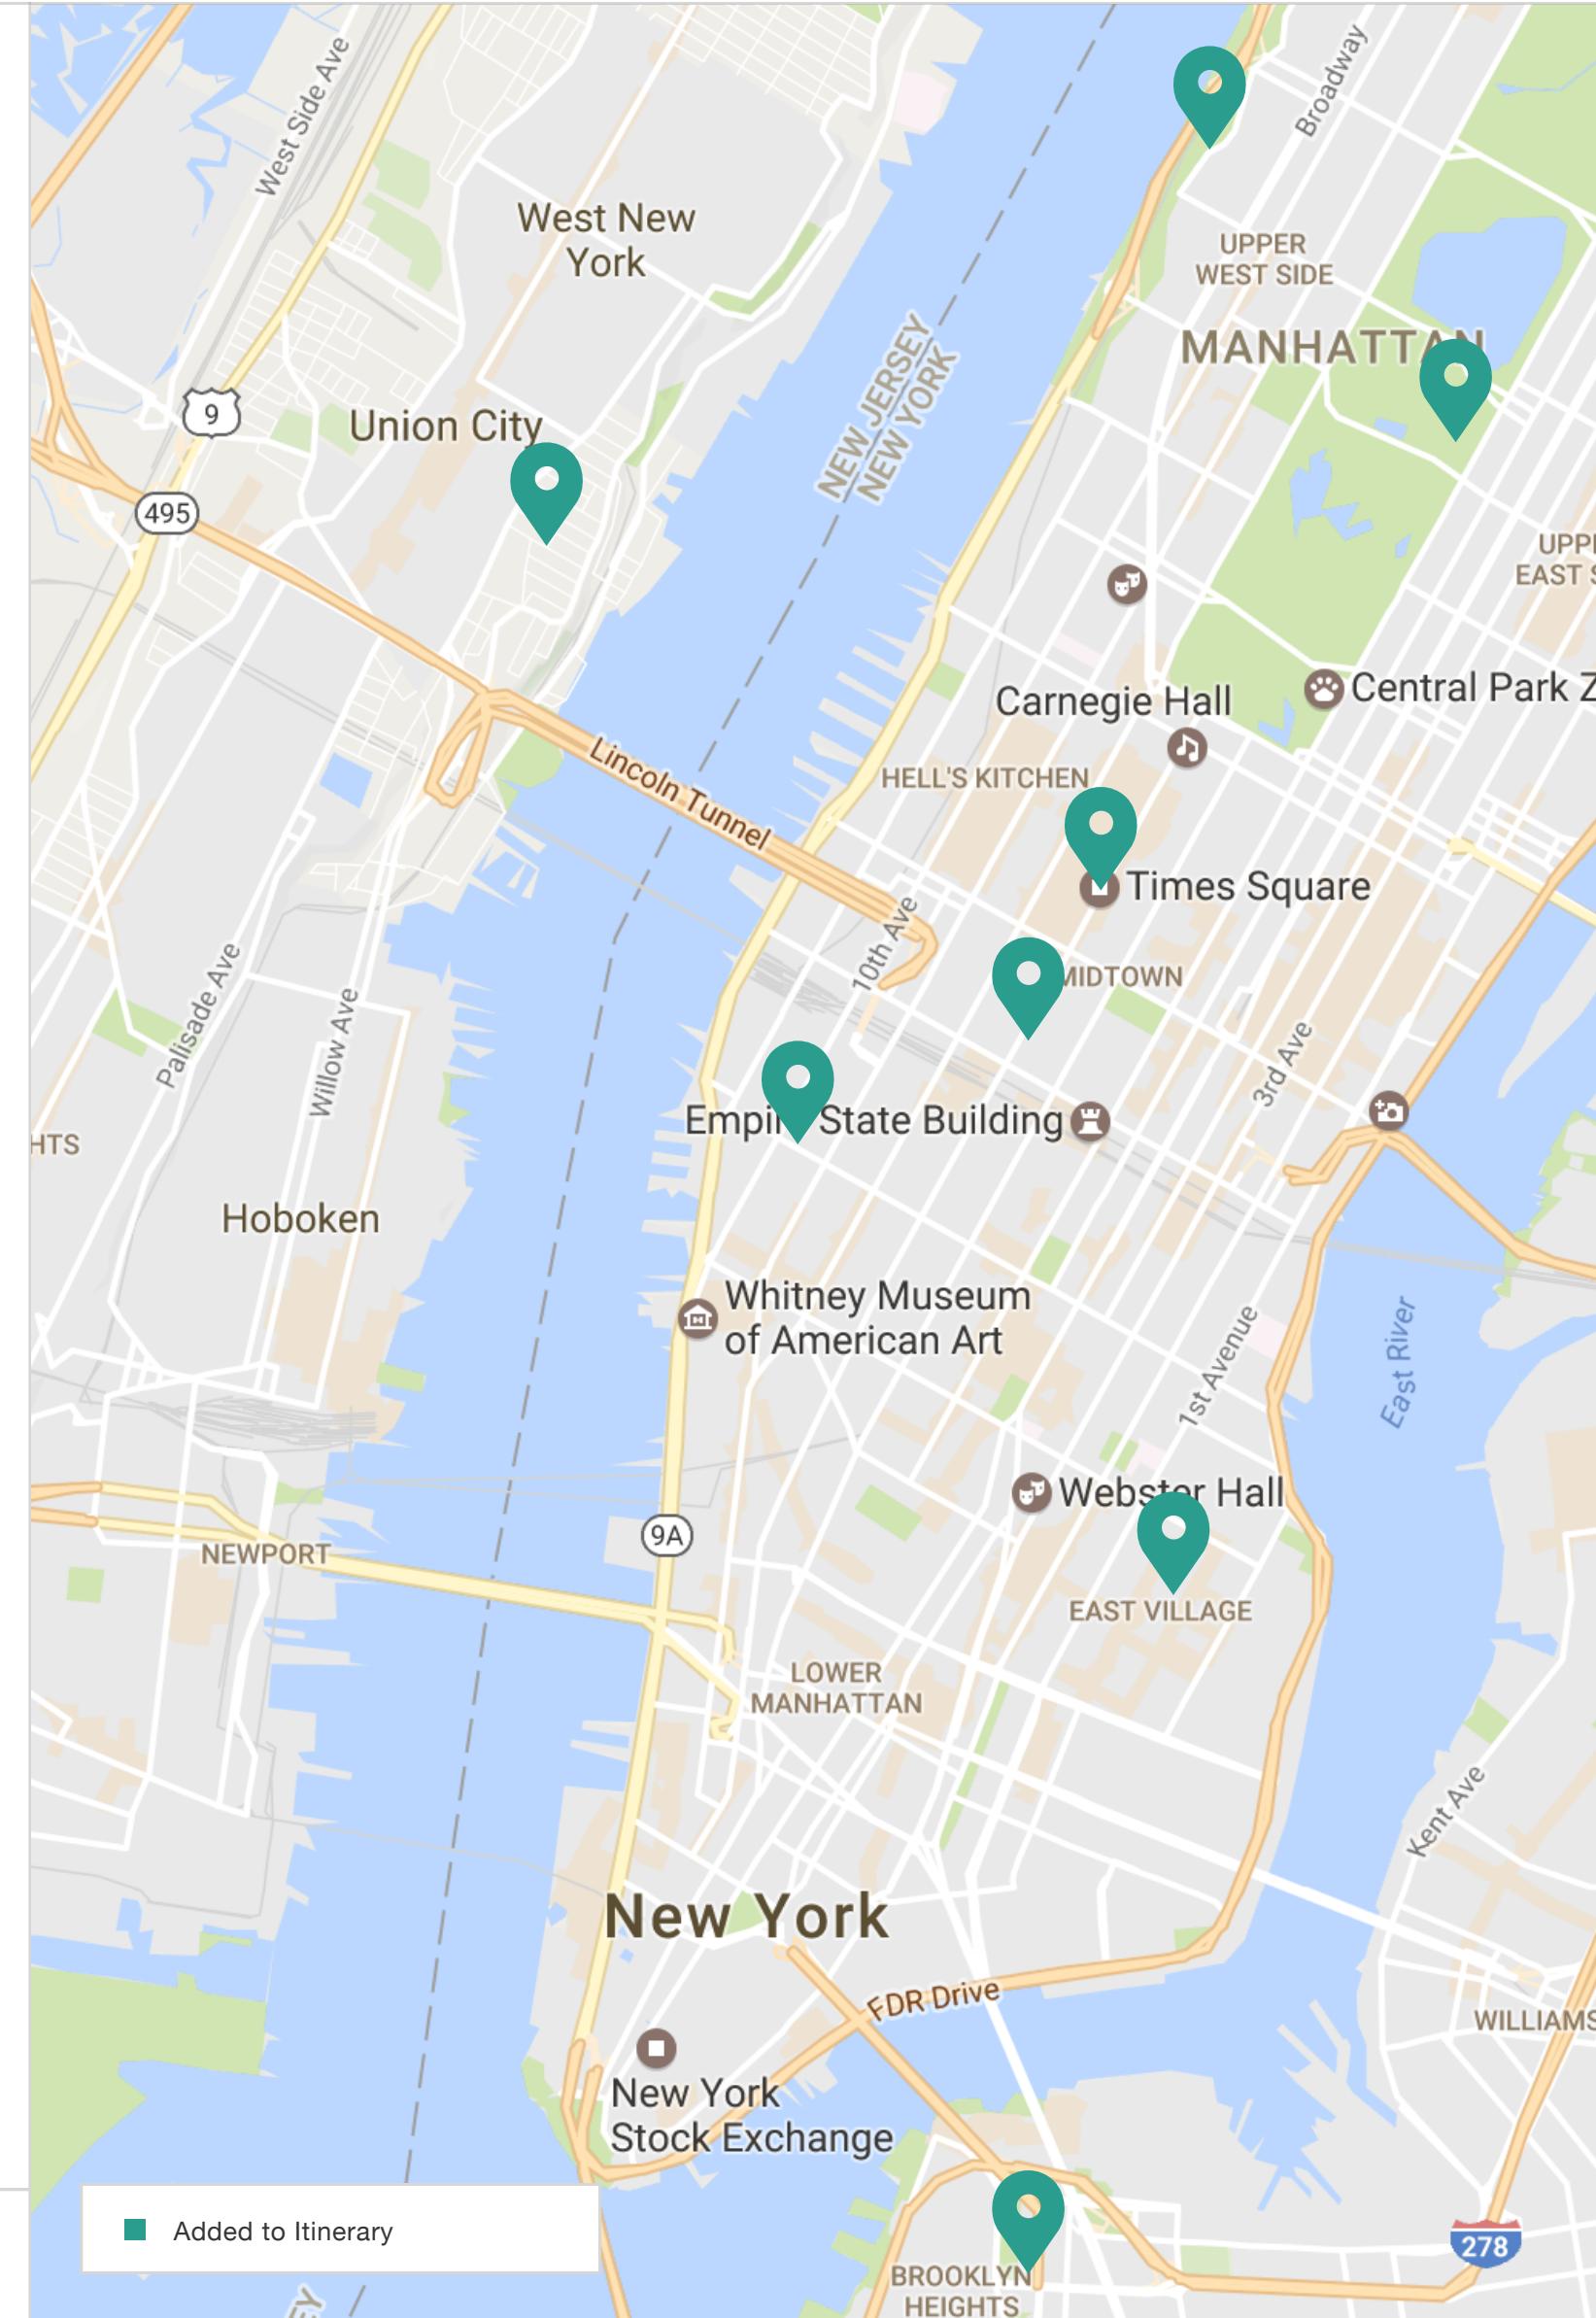

According to your flight reservation, you will only be available after 2pm on Day 1. I would recommend you to move Brooklyn Height to Day 3, so you don't need to drive a long way back to Manhattan from Brooklyn during rush hours and be possibly late for Sleep No More @ 6pm.

Done, next please.

Nope, keep going.
